Description:	Bright, transparent and coloured dark Mahogany. Round, clean, elegant with a reminiscent aroma of wine. Long, warm and balanced on the palate with no sharpness. It has personality, a harmony of subtle flavours followed by an intense finish of raisins and plums. This is Cardenal Mendoza Clasico, a Solera Gran Reserva brandy made from a selection of the finest distilled holandas, or wine spirits, which are aged using the traditional 'Solera y Criaderas' system. The casks used to age Cardenal Mendoza, which are previously treated with Oloros and Pedro Ximénez sherry, make up one of the largest Solera Gran Reserva aging cellars - a guarantee of this brandy's age and quality.
