Alcohol degree:	19 %
Serve at:	16°C-18°C
Serve with:	aperitif, dessert
Description:	<p>These are wines blended from the noble grape varieties present on the island, which, for a number of reasons are grown in limited volume. They represent approximately 10% of the total harvest. They are blended from a mix of wines, all of which have themselves been produced by the individual vinification of white grapes, and which have spent a minimum of 10 years in oak casks prior to bottling. A light tawny golden colour. Fresh and dry on the nose, with hints of unripe walnut and hot honey. A delicate freshness on the palate. A medium length of flavour with a final hot, dry touch.</p>
